**Jack Calder : Administering Fiscal Regimes for Extractive Industries: A Handbook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Administering Fiscal Regimes for Extractive Industries: A Handbook:

IMF economists work closely with member countries on a variety of issues. Their unique perspective on country experiences and best practices on global macroeconomic issues are often shared in the form of books on diverse topics such as cross-country comparisons, capacity building, macroeconomic policy, financial integration, and globalization.
